I-95 / SR 896 INTERCHANGE – UPCOMING CLOSURES

The Delaware Department of Transportation (DelDOT) announces to motorists that the Contractor **will require overnight closure of northbound I-95 and overnight multi-lane closures on southbound I-95 for steel girder installation April 9, 10, and 11. Southbound I-95 High Speed EZPass lanes will be closed (cash lanes accepting EZPass remain open). Some lane closures will be in affect along the Elkton Road and SR 896 during the full closure.** Ramps at the interchange will remain open except for the northbound I-95 off ramp to SR 896. Additionally, overnight lane closures on both northbound and southbound I-95 will be required to support steel girder installation, and for striping, signing, and lighting removal. Daytime lane closures on northbound I-95 will be in effect for construction access.
