SR 896 – EXTENDED RIGHT LANE CLOSURE AT THE I-95 INTERCHANGE

Newark – The Delaware Department of Transportation (DelDOT) announces that the right lane of southbound SR 896 between the off-ramp from I-95 southbound and the on-ramp to I-95 northbound will be closed continuously through October 25 for bridge work.

Southbound SR 896 motorists should remain aware of traffic merging onto and off of the ramps to the interstate.

The public is encouraged to visit the project website 95896improvements.com to sign up for text/email alerts regarding construction-related closures.
