Upcoming I-95/SR 896 Interchange Closures and Traffic Pattern Changes

Newark – The Delaware Department of Transportation (DelDOT) announces that there overnight road, ramp and lane closures on SR 896 the week of March 23, 2026, to implement final traffic pattern changes. *(All work weather permitting)*

Monday March 23 and Tuesday March 24, 2026: Northbound SR 896 will be closed overnight between Old Baltimore Pike and Welsh Tract Road to implement the northbound SR 896 final traffic pattern. The northbound SR 896 on ramp to northbound I-95 will also be closed overnight on these days. Detours will be posted.

Wednesday March 25 and Thursday March 26, 2026: Southbound SR 896 will experience overnight lane closures between Welsh Tract Road and Old Baltimore Pike to implement the southbound SR 896 final traffic pattern.

The public is encouraged to visit the project website 95896improvements.com to sign up for text/email alerts regarding construction-related closures.
