Upcoming I-95/SR 896 Interchange Closures

Newark – The Delaware Department of Transportation (DeIDOT) announces that there will be an overnight ramp closure on southbound SR 896 on April 20, 2026, for paving work. *(All work weather permitting)*

Monday April 20, 2026: The southbound SR 896 ramp to northbound I-95 will be closed overnight to facilitate milling and paving work on southbound SR 896 near the ramp entrance. Detours will be posted.

The public is encouraged to visit the project website 95896improvements.com to sign up for text/email alerts regarding construction-related closures.
