Upcoming I-95 Northbound Traffic Pattern Changes

Newark – The Delaware Department of Transportation (DelDOT) announces there will be a traffic pattern change on northbound I-95 on or about September 22 through September 24, 2026, as part of the I-95/SR 896 Interchange Project. *(All work weather permitting)*

Traffic Pattern Changes

The traffic pattern on northbound I-95 northbound will be modified between September 22 and September 24 to remove concrete traffic barriers and implement the permanent traffic pattern from south of the SR 896 interchange to the northern project limits.

The public is encouraged to visit the project website 95896improvements.com to sign up for text/email alerts regarding construction-related closures.
