Minor Delays on I-95 and Route 896 for Blasting

The Delaware Department of Transportation (DelDOT) announces to motorists that there will be rolling roadblocks on I-95 and Route 896 of less than five minutes each for blasting, between 10:00 am and 2:00 pm. The blasting is scheduled to start on Tuesday, September 5th, with two to three blasts per week for about three weeks. There will be only one detonation per day.

This work is weather dependent. Motorists should use caution and expect minor delays in the area.

For more information, tune to WTMC 1380 AM, visit deldot.gov or download the DelDOT app.
